

THE OHIO STATE UNIVERSITY

CENTER ON EDUCATION AND
TRAINING FOR EMPLOYMENT

SMEs are *KEY* for CETE!

Your knowledge and expertise are valuable!

Are you an Engineering or Manufacturing instructor or professional?

Join CETE, the Ohio Department of Education (ODE) and the Ohio Department of Higher Education (ODHE) for our 2018-19 item-writing and validation workshops as a subject-matter expert (SME)!

Participation in workshops includes:

- Training to improve item-writing skills
- Development of Webxam test questions based on your expertise
- Review and validation of test questions for quality
- Networking opportunities with your peers
- Professional Development opportunities

Reimbursements
for your stay
and your substitute
are available!*

Lunch is included!

Instructors & Professionals are needed for:

- Introductory Courses
- Electronics
- Machining
- Welding
- Architecture
- ... *and more!*

For more information visit:
news.webxam.org/sme/
